CONDENSED INTERIM FINANCIAL STATEMENTS
DECEMBER 31, 2012

DIRECTORS' REVIEW

Your Directors are pleased to present the quarterly report for the period ended December 31, 2012.

Despite persistent glut of sugar and falling domestic and international prices, the Government raised the support price of sugarcane by over 13%, keeping the domestic market under pressure.

However, we are hopeful that with export subsidies, domestic market situation may improve. We are also expecting improvement in recovery due to increase in supply of approved cane varieties.
